The Most Holy Body and Blood of Christ (Corpus Christi)

(Day for Life) (19/06/2022-03/07/2022)

Dear Parishioners,

In the 'Our Father,' we ask each day for our daily bread, a simple reminder of our day-by-day dependence on God's providence. The Eucharist is a reminder that Jesus has wanted to provide for our deepest hunger, by giving us his body made bread. The Gospel today is Luke's account of the multiplication of the loaves and fish. The disciples tell Jesus to send the crowd away who have been listening to him; it's one thing to give people some teaching, but they feel they can't be responsible for the people. At the end of the day each person must look after themselves. Jesus challenges them, insisting that they feed them. They say, 'but we can't, we don't have enough'. We look around us, there are so many needs, even just looking at the Church, we can feel empty handed. We haven't got enough to respond to the needs we see. Jesus is inviting us to bring the little we have to the Eucharist, our little patience, our little hope, our little compassion, and offer it with him. By giving us the really nourishing food of his presence and his love, he promises to transform these things to something that can make a difference for others. The reading ends 'They all ate as much as they wanted.'

Have a Blessed Week.

Canon Niall
